AD HOC REQUIREMENTS COMMITTEE FAR EAST TARGET LIST

1. The attached target list on the Far East is considered by the members of the Ad Hoc Requirements Committee as of high priority for collection by certain sensitive collection capabilities. The targets marked with an asterisk are considered of highest priority and importance. Please note that as presented this document is classified only TOP SECRET.

2. All markings are self-explanatory except the columns marked "category interest" and "country". The categories referred to are as follows:

Category A -- Soviet Air Force installations Associated with the Long-Range Bomber Program

Category B -- Soviet Capabilities for Defense Against Air Attack

[redacted] 25X1

Category D -- Guided Missile Installations

Category E -- Naval Bases, Shipyards and Port Facilities

Category F -- Industrial Complexes

Category G -- Strategic Positioning and Capabilities of the Soviet Military Forces

These categories of interest identified with the location should, among other things, be useful to Operations in connection with briefing for collection. The countries referred to are as follows:

1 - USSR
2 - Manchuria
3 - China
4 - Outer Mongolia

JAMES Q. REBER
Chairman
Ad Hoc Requirements Committee
